

Case 2000 Series Planter UCM and 213-05-3873Y3 Harness

Main Adapter Harness 213-05-3873Y3 plugs into the 18-pin round connector and the 12-pin CAN4 (green) on the UCM on the planter. Unplug the Case connectors in these positions, plug in the SureFire harness, then plug the Case connectors into the SureFire harness. Then plug the Sentinel (or RCM) adapter harness into the ISO and POWER connectors on the 3873 harness.
