# Installation Instructions

Kit Number: 530-01-550750

1. Remove Seed Tube Support so new pedestal can be mounted onto 7"x7" Tool Bar.

2. Install both base mount brackets (420-4452Y1-BK) with supplied 3/4" U-bolts (380-1060) as shown below. Make sure the Gusset is facing forward on the planter, see Figure 1 below.

# Installation Instructions

Kit Number: 530-01-550750

3. Install cradle mount brackets (420-4453Y1-BK) with the supplied 5/8" bolts and flange nuts. Make sure to feed the planter seed tubes through the opening of the cradle mount bracket for support as shown below.
4. Install tank saddles (420-2507Y1-BK) with the supplied 1/2" bolts and flange nuts.

Planter Seed Tube  
Hose

5. Install tank and supplied straps
