Title: SureFire QuickDraw App No Longer Available for Purchase

Product Line: Spray Tender

Model: SureFire QuickDraw App

Level: Public

Author(s): Andy Boyle

Revision Letter:

Overview:

Effective May 1, 2024 SurePoint no longer supports the original QuickDraw iPad app (used with Gen 2 QuickDraw Controllers). At this point the app will be removed from the App Store and will not be available for download. (Image 1)

Solution:

After the SureFire QuickDraw App is removed from the IPAD App Store. Users that want to utilize this functionality moving forward will need to upgrade to a QuickDraw3000 Display and purchase QD3000 from IPAD App Store. (Image 2) If you have questions, please contact Customer Support.
