Solution:

The new part number is for the DN4 and DN10 Orion 3 Flowmeters.

124-02-010013 T1 Fork - Orion 3 Flowmeter – Straight Top

The old fork that will also still be in use: 124-02-010001 will be for Sentinel flowmeters, and revolvers as currently used.

124-02-010001 T1 Fork – Curved Top
